

## TROPICAL BIOSUMMIT 2025

Reviving Wetlands, Restoring Balance

### Registration Notice

#### SC/ST Student Support for Tropical BioSummit 2025

In line with its commitment to inclusive academic participation, the Kerala University of Fisheries and Ocean Studies (KUFOS) has sanctioned full reimbursement of registration fees for SC/ST students attending Tropical BioSummit 2025, under the ICAR Scheduled Caste and Scheduled Tribe (SC/ST) Sub Plan.

Tropical BioSummit 2025, jointly organized by KUFOS and the Centre for Tropical Biodiversity Conservation (CTBC) from 19–21 November 2025, provides a dynamic platform for students, researchers, and professionals to engage in discussions on tropical biodiversity, marine ecosystems, and sustainable future.

As per the official order issued by the University, SC/ST students participating in the Summit will be registered without paying any fee, and their registration charges will be met from the ICAR SC/ST Sub Plan fund. Participants are required to submit a valid community certificate and a recommendation from their respective Heads of Departments, and the valid proof of registration to avail the benefit.

Researchers and students are invited to present their findings at the Summit. The **last date for abstract submission is November 7, 2025.**
